

73RD PAAA ANNUAL MEETING

JUNE 24-26, 2022 | THE HOTEL HERSHEY, HERSHEY, PA

Health and Safety Protocols

PAAA's leadership is constantly reviewing all health and safety factors affecting this year's Annual Meeting. Adjustments to safety protocols will be made as the situation evolves leading up to the meeting, but we believe that we can safely bring together our highly vaccinated group with strong protocols in place. We appreciate your understanding and also understand that circumstances of each individual and their community, workplace, and family may vary.

With these factors in mind, we are pleased to offer an **in-person** and **virtual** option to ensure that everyone has access to their preferred experience:

1. In-Person: Our face-to-face meeting in Hershey, PA will still take place responsibly with appropriate safety measures and at a smaller scale. Based on our membership survey responses, many members have a real need to be together for support, encouragement, and rejuvenation. To meet our members' needs who prefer an in-person option, PAAA plans to provide a mix of educational and social events throughout the weekend.

Please review our current* Health and Safety Protocols:

- It is **required** that all attendees are **vaccinated** and will be asked to *show proof of vaccination* upon arrival at the meeting. *If you are unable to be vaccinated due to religious or medical reasons, please contact Lauren Klinedinst at lklinedinst@pamedsoc.org.*
- **Masks** will be required** at all indoor PAAA events; masks will be optional at outdoor socials.
- **Social distancing** 3 feet will be provided in the general session room.
- Safety will be considered when providing food and beverage during the meeting and social events.
- **Spouses/guests/children** may attend PAAA social events.
 - Spouse/Guests/Children Ages 5+ (vaccination required) Must *show proof of vaccination* upon check in at social events.
 - Guests/Children Ages 0-4 For our youngest guests, we have no requirements. However, we ask that parents abstain from bringing your child to our socials if they are showing any cold/flu like symptoms.

**Health and Safety Protocols are subject to change at any time. All such changes will be updated and communicated as quickly as possible with registered attendees. Additional details of our Health and Safety Protocols, including the details regarding the process of providing proof of vaccination, will be announced as we get closer to the event dates.*

***PAAA cannot control or require guests/staff of the Hotel Hershey to wear masks. By attending the event and visiting Hershey Resorts, all attendees accept that these protocols will not be in place outside of PAAA events. Venue regulations may change based on state guidelines.*

73RD PAAA ANNUAL MEETING

JUNE 24-26, 2022 | THE HOTEL HERSHEY, HERSHEY, PA

2. **Virtual:** For a variety of reasons, you may simply feel like a virtual option is the better choice. PAAA will record our sessions during the Annual Meeting in June and provide to view at your leisure. This virtual education will be available for viewing on demand by August 2022.

COVID Disclaimer

By registering for this event and entering onto premises where it's being held, each attendee understands that they may be exposed to and/or are increasing their risk of contracting or spreading COVID-19. PAAA meeting protocols are only applicable during PAAA hosted events. Hershey Resorts and surrounding attractions will have their own regulations and potential exposure risks separate from attending the PAAA meeting and events.

Attendees must comply with all health and safety guidelines put forth related to this event and accept that failure to comply with all safety procedures as laid out by PAAA or any direction from PAAA leadership or hotel employees on site may result in loss of right to attend or participate in the PAAA 73rd Annual Meeting, including forfeiting any registration fees paid (this includes any accompanying guests).

Attendees should not attend the PAAA 73rd Annual Meeting if they have had recent exposure to a COVID-19 case or experience any symptoms of COVID-19 (including fever or chills, cough, shortness of breath, fatigue, body aches, headache, new loss of taste or smell, sore throat, runny nose, nausea, vomiting, or diarrhea).

It is each attendee's responsibility to ensure that any accompanying guests will be in compliance with any safety precautions set forth by PAAA leadership.

If you have registered for the In-Person Annual Meeting, but your circumstances have changed, please contact PAAA to cancel or transfer your registration fee to the virtual recordings.

If you have any questions, please contact PAAA Meeting Manager, Lauren Klindedinst at lklinedinst@pamedsoc.org or (717) 909-2639.
